

November 23, 2015

To Our Valued Customer,

LinkTech Inc. manufactures quick couplings made from a variety of metal, plastic, and elastomeric raw materials. The purpose of this statement is to clarify the position of LinkTech Inc. on compliance with "The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (European Council Directive 2011/65/EU)," commonly referred to as "RoHS."

According to our suppliers and to the best of our knowledge, the raw materials and manufacturing processes used in standard and modified standard product lines do not possess levels of cadmium, lead, mercury, hexavalent chromium, PBB, or PBDE beyond acceptable limits as identified in the RoHS regulation. However be advised that LinkTech Inc. does not test products for these substances.

LinkTech Inc. hereby declares that the following products do not contain RoHS identified substances in excess of the prescribed MCV. It is further stated that these substances will not be used in the future.

| All 10AC Series Couplings | All 50AC Series Couplings |
|---------------------------|----------------------------|
| All 10PP Series Couplings | All 50PP Series Couplings |
